15. Multidisciplinary / interdisciplinary	
<p>NAAC has already created awareness about quality education among the institutions. Everyone is aware of it. The vision of National Education Policy 2020 is to provide quality education to develop human resources in our nation. University has taken lead in it and following the guidelines of the Government to implement it</p>	

properly. Our institute has also conducted workshops on NEP, all our students and faculty has joined in it. We have discussed the key (basic) principles of NEP e.g., Diversity in curriculum and pedagogy, technological innovations in teaching-learning. According to NEP, affiliating University has made changes in syllabus (programmes) to include Multidisciplinary/Interdisciplinary courses as electives. To provide flexibility is one important aspect in NEP. So, students will get flexibility in it. The Institute must think about research centre, technological things, industry linkages to attain quality. All these things will be very useful for students to shape their personality and to create / acquire more knowledge. Institute has always strived for a multidisciplinary approach in its academic as well as curricular activities e.g. Organisation of different seminars, conferences, workshops. webinars on different multidisciplinary and interdisciplinary issues. In the academic year 2023-24 Institution has organised Multidisciplinary International conference on 'Women Empowerment'. 1. Promotion of multidisciplinary and interdisciplinary studies through B. Voc. programmes. 2. Introduction of several short-term courses 3. Organised activities addressing cross-cutting issues e.g. Population Day, Environmental and Sustainability.

16.Academic bank of credits (ABC):

As the affiliating University has adopted NEP 2020 from 2022-23, the college follows NEP pattern for assessment and evaluation The Academic Bank of Credits (ABC) is registered through National Academic Depository, Ministry of Education, Gov. of India with digital platform for the first-year students for credit recognition, credit accumulation, credit transfers, and credit redemption.

17.Skill development:

Most of the skills are taught through Syllabus prescribed by the affiliating university which is consistent with the objectives of NEP for fostering quality education. Institution has already started 20 short term certificate courses for students e.g., Basic English Grammar, Montessori Teachers Course, Flawless Marathi Course, Functional English Course, Vyaktigat Soundary Sanvardhan, Sangank Ka Parichay, Travels and Tourism, English Grammar, Lathikathi, Basic Instrumentation in Electronics, Soil Analysis, Basic Instrumentation in Physics, Exploring the world and Microbiology, Economics of Industrial Organization, Diet and Nutrition, Mathematics for Competitive

Exam., Household Chemicals, Environment Science, P. C. Meintance. The curriculum of each course is flexible that creates positivity among the life students with other values and life skills. All these steps are marching towards the implementation of NEP in the real sense.
18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course) <p>The college encourages learning of national language of Hindi and mother tongue Marathi [Local Lang.] by offering. B.A. M.A. and M. Sc. degree in Hindi, Marathi and English. Institution has formed Literary Association Committee; various activities were conducted related to culture. In order to promote/. integrated the local language and culture Students are motivated to participate in Group discussions, seminars, traditional songs etc. Even in the Institute Department of Hindi has started SangankParichy Course, Department of Marathi has started Flawless Marathi Course' and even Montessori Teachers Course to promote the languages. After the completion of these courses students will get employability opportunities. Frequent field trips to local heritage sites and forts shall value their culture and traditions which will create one spirit among students. Indian knowledge system will include knowledge from ancient India to modern India and clear sense of India's future aspiration with regard to education, health and environment.</p>
19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE): <p>Focus on Outcome based education (OBE): The college offers Nine (09) UG programmes across Humanities, Seven (07) UG Science programmes, Five (05) PG programmes of Humanity ,One (1) PG programme of Science and Two (2) programme of B.Voc. All these programmes are offered as outcome-based education (OBE) which is designed by affiliating University keeping in mind the regional and global requirements. The college has implemented outcome-based education with clearly stated Programme Outcomes, Programme specific outcomes and course outcomes. Programme outcomes, Programme specific outcomes and course outcomes are displayed it on our website. All courses are designed with outcomes centred on cognitive abilities namely Remembering, Understanding, Applying and Evaluating - College being affiliated with Shivaji University follows guidelines of the University. College is implementing outcome Based Education for various programmes e.g., Humanities, Social Sciences, Science and Vocational Programmes.</p>
20.Distance education/online education:

Due to covid 19 pandemic, educational institutions in the country have increasingly involved in using the digital platforms for engaging classes, conducting meetings and conferences. Because of the online mode, Students can learn and took further education, keeping aside the negative impact of lack of face-to-face learning, online education has broken the geographical barriers creating interaction of experts and students from distant geographies. Opening of the economy including that of educational institutions have paved the way of adopting hybrid mode of education called as PHYGITAL combining online/offline. College has already prepared, especially during COVID 19 pandemic situations, teaching learning process through different online modes like google Meet, google Classrooms, WhatsApp, Zoom etc. Each and every department of the college is writing Blogs. All departments have prepared PPTS, and collected video lectures. The college campus is Wi-Fi. Institute is trying to make available all such type of E-content material for the development of the students. Institute has organised some online activities for students e.g., Speech, course, Quiz etc. and even organised online international conference for faculty and students. Our faculty has Successfully completed online short-Term Courses, etc.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college has a well-organized system for curriculum delivery and documentation. At the beginning of an academic session, departmental meetings are held in every department in which the topics in the syllabus are distributed to the teacher, after discussion with them different teaching methods are discussed, according to this discussion teachers prepare their teaching plans monthwise and for each theory and practical course for scheduled curriculum delivery. Every department prepare their academic calendar and finally IQAC prepares the consolidated Academic Calendar. Every teacher receives the individual time table. All the departments are involved in scheduling academic, co-curricular and extracurricular events to enrich the learning process. Each and every teacher submits syllabus completion report to the college. All the new students are oriented to the college in the beginning of the academic year. Our Institution believes in reaching out to the students by adopting learner centric approaches. We have bridge course to keep them abreast with the syllabus, teachers use innovative methods for better delivery of curriculum. Use of audio visual aids and ICT tools, students presentations, seminars, quiz, group discussion in classroom enrich the learning experience.. To Develop effective Communication Skills, Presentation Skills, students are motivated to participate in Soft Skill training programme /Self Funded Certificate Courses. There is great deal of Flexibility available to students.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

All newly admitted Students can be assessed on basic knowledge of their offered subjects and on the basis of the marks obtained in the previous year examination, test conducted by the departments. From that slow learners and advanced learners are identified. Remedial classes are conducted to built up the academice performance of the slow lesrners which help them to improve subject knowledge. For continuous evaluation of the students, we are using some methods:

1) Immediate Revision- After completing subtopics /topics we took immediate revision of it; forbetter memory question-answer session is carried out.

2) Class tests- Teachers conduct class tests in their subjects periodically to test their knowledge.

3) Home-Assignments- Students are given various topics for home assignments, in whichthey have to do the reference work for better understanding of their topic.

4) Question banks are given to the students.

5) Revision of the syllabus is also taken. There is one more process for Advanced learners they areidentified through their performance in examinations, interaction in class room and laboratory, their fundamental knowledge, concept understanding and articulation abilities etc. Advanced learners are encouraged to study recommended readings listed in each syllabus.Advanced learners are encouraged to become class mentors. Training and Placement Cell provides training in interview skills and

communication skills. Students are encouraged to participate in seminars, conferences and workshops to gain knowledge. The Faculty takes a keen interest while ordering books for the Central library and ascertains that the library collection of books cater to the needs of both slow and advanced learners.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Usually the college takes care that the students are informed by time to time about the internal assessments to be conducted during the respective academic year. The examination committee prepares the internal examination schedule of the departments which is communicated to the students by the faculty at the beginning of the academic year. Nevertheless several testing methods are used by the faculty for continuous internal evaluation of the students. Along with they include Unit tests, Seminars, Home Assignments, MCQ tests, etc. As per the guidance of the IQAC, the Internal Examination Committee asks the departments to submit their tentative timetable for the conduct of internal examinations. The internal examination schedule of every department is submitted to the Examination Committee and the Examination Committee prepares the aggregate timetable of the internal examinations. Some departments have used departmental blogs/ Google Classroom for uploading

the questions, model question papers, model answers, etc. After the completion of the syllabus department wise unit tests on the completed syllabus are conducted. Question Papers of all subjects are set by the department faculty. After the tests, assessment were done and particular things were discussed with students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

College has formed Examination Committee which looks after all the examination related matters. In case with the University examinations, some students are not satisfied with the marks they obtained, then they immediately contact with the Examination Committee. Accordingly there is a specified procedure of the Shivaji University for availing the provision of revaluation. It is not easy for a student to understand the intricacies involved in this procedure. Therefore, the Examination Committee handles such cases very carefully. The student, who wants to use the facility of revaluation, first of all students have to apply for the Photo copy of his answer book to the University within the span of eight days after the date of declaration of results by the University. After he gets the Photo copy, he needs to show it to the concerned faculty. But every possible assistance is provided to the student by the Examination Committee. Again, at the time of actual examination, many students face a variety of problems like wrong mention of the optional subjects on the hall tickets, not getting the hall tickets, some issues related to the subject code of question papers, etc. On such occasions the Examination Committee ensures that the student is not mentally disturbed by such things. By approaching the University Examination Cell, tries to solve the grievances of the students. Institute conducts B.A. I and B.Sc.-I exams and Assessment are done as per Affiliating University guidelines.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The Program Outcomes, Program Specific Outcomes and Course Outcomes are defined by the BoS (Board of Studies) Shivaji University, Kolhapur. Besides the faculty refers to the syllabi of different classes displayed by the University on its website along with the Program Outcomes, Program Specific Outcomes and Course Outcomes. The students are informed regarding the same in the beginning of the academic year while discussing the syllabus of each paper. Along with the faculty discusses with the students about the expected skills, knowledge they should possess after they complete the specific course and program. These outcomes are also displayed on the website of the college and the departmental blogs. In addition to this caution is taken that each student knows the expectations of the Program and the Course he/she has opted for. The students and the teachers strive hard to achieve the outcomes as defined by the BoS of the Shivaji University, Kolhapur. Program Outcomes and Course Outcomes of all programs offered by the institution are stated and displayed on website of the institution. All the stakeholders can view the program outcomes. The program outcomes are discussed in the staff meetings.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

There is no defined mechanism for assessing/evaluating the Program Outcomes, program specific outcomes and course outcomes as such. The college adopts informal way of evaluation of the Program

Outcomes, program specific outcomes and course outcomes. At the time of Alumni meet the feedback is received from the members of the Alumni Association about the Program Outcomes, Program Specific Outcomes and Course Outcomes. The members share their experience based on that the college is able to assess the outcomes. Results of the Internal Examinations and Semester examinations are considered with reference to the set outcomes. The feedback received is used by the faculty member, who are the part of syllabus framing body of the University, for making efforts to bring about the desired changes in the syllabi of different classes. All the teachers have conducted their regular lectures to complete the syllabus of related courses and programs. Teaching plans are prepared. All faculty members have maintained diaries.

The college is governed by the Management Dnyanganga Shikshan Prasarak Mandal, Malwadi Kotoli.

The Vision and Mission defined by the Institution are as follows.

Vision:

We aspire to be an institution of higher education catering to the higher educational needs of rural and hilly area students particularly girls, providing them with stimulating teaching learning environment to develop them into socially responsible citizens.

Mission:

- 1.To inspire the students for education and make the education available for the poor, socially and economically disadvantaged students in rural and hilly area.
- 2.To take efforts in order to have overall personality development of the students.
- 3.To make the college a center of educational activities as well as intellectual and cultural enhancement of the society through the well educated youth.
- 4.To create the ability amongst the students of self evaluation and sow the seeds of scientific and rational attitude in their minds to make them aware of the value and the dignity of labor.
- 5.To create the awareness amongst the students about the current social, economic and material condition of the society and to enable the students to face the future challenges confidently.

The mission of the college is to inculcate values of patriotism, honesty, sacrifice, scientific approach, gender equality, etc taking into account skill based and technology oriented education.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Performance Appraisal for Teachers:

There is prescribed appraisal system named as Performance Based Appraisal System (ASAR) -which is prescribed by the University Grants Commission , New Delhi. Under this system the Annual Performance Indicators (API) score is calculated annually and submitted to the Principal through concerned Head of the Department. This ASAR performance consists of the following three categories having different weightages.

Category I : Teaching Learning and Evaluation Related Activities.

Category II: Co-Curricular, Extension, Professional Development Related Inputs.

Category III : Research, Publications and Academic Contributions.

The Principal constitutes a verification committee to check the claims made by teachers on the basis of the documents submitted by the teachers. If there is any discrepancy in the inputs it is brought to the notice of the Principal who sends the document back to the teacher for revision. After the due revision the verification committee finalizes the ASAR forms and submit then to Principal. Performance Appraisal Of Non-Teaching Staff: The Annual Performance of non-teaching staff is recorded through a prescribed proforma of the 'Estimate of General Ability and Character of Grade 'A' to Grade 'C' Officers and Employees'. Annexure 'B' Part 'IV'. Under this, some major criteria of assessment are Industry and Application, Relations with Colleagues and Public, General

Intelligence, Technical Ability, Special Attitude, Administrative Ability, Integrity and Character etc. These reports are submitted to the Reviewing Officer that is The Registrar/Office Superintendent of the college and approved by the Principal.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management :

Solid waste is divided into wet and dry. It is further divided as biomedical waste, sharp waste, chemical waste and E-waste. The student's faculties and staff are properly guided on proper waste management practices. Shivaji University gives a proper guidelines for paper waste management of examination material

Liquid Waste Management :

Waste chemical in the labs are properly disposed off by dissolving them in water and leaving the water into drains. The drain water from the septic tanks is carried through pipes and allowed to percolate through the ducts at a safe distance from the buildings.

Biomedical Waste Management :

We used the '4RL method' for biomedical waste management.

We used five colored buckets / Bags for proper disposal purpose.

E- Waste Management :

The electronic equipments that are damaged and used in electronics, physics and computer lab, such as out-dated computers, pen drives, batteries, CD's etc. are collected together and are sold as a scrap material in order to ensure their safe recycling and also help to preventing pollution.

Waste Recycling System :

No

Hazardous Chemical and Radioactive Waste Management :

Discharge of untreated Chemical waste water into the surrounding environment it is a very harmful to the environment. Hence the institute first dilute the chemical waste with water and passes it through sand.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The college has identified the following two best practices which are consistent with the vision, mission and goal of the institute.

Best Practices

I) Women Empowerment

II) Health Consciousness

Best Practice - I

1) Title of the Practice - Women Empowerment

2) Objective of the Practice -

Women empowerment has been key issue in modern and postmodern societies across globe. It has been considered as a priority issue in independent India and naturally it has been reflected with the governance and practice adopted by HEI. The women have been considered as the subaltern section of society which needs to be empowered. The important tool of this empowerment is naturally education at tertiary level and the participation of women in the mode of production of the nation. The college has adopted this Best Practice in order to empower the girls students coming from the rural underprivileged section of the society, particularly the hilly areas of the Western Maharashtra.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

given in the view documents.

Efforts taken by college for education of girls student 1) Counselling of Parents 2) Incentive for Girls Students for example: prizes, concession in fees for poor girls, etc. 3) Participation of girls students in Sports and Extra Curricular Activities.

*1) Counselling of Parents Most of the parents in this area are either illiterate or having very little education, naturally they are not easily convinced regarding higher education for girls students. Our faculty members visit the places in catchment area. They meet parents and convince them about the importance of higher education of girls and various facilities are provided by the college to students. 2) Incentive for Girls Students i) The college helps the girls students in getting the monthly concessional rate bus pass. ii) Girls students those who participate in the competitions of sports and cultural activities

T.A./D.A. is provided to them. iii) Management extended concession is some girls students those who could not pay the fees. iv) Management and faculty declared prizes for students those who secure good marks in the University Exams. Our four girls students secure ranks in the General Merit List of Shivaji University, Kolhapur.(Academic Year 2023-2024). v) Provision of Sanitary pads at concessional rates.

3) Participation of Students in Sports and Extra Curricular Activities.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college has a well-organized system for curriculum delivery and documentation. At the beginning of an academic session, departmental meetings are held in every department in which the topics in the syllabus are distributed to the teacher, after discussion with them different teaching methods are discussed, according to this discussion teachers prepare their teaching plans monthwise and for each theory and practical course for scheduled curriculum delivery. Every department prepare their academic calendar and finally IQAC prepares the consolidated Academic Calendar. Every teacher receives the individual time table. All the departments are involved in scheduling academic, co-curricular and extracurricular events to enrich the learning process. Each and every teacher submits syllabus completion report to the college. All the new students are oriented to the college in the beginning of the academic year. Our Institution believes in reaching out to the students by adopting learner centric approaches. We have bridge course to keep them abreast with the syllabus, teachers use innovative methods for better delivery of curriculum. Use of audio visual aids and ICT tools, students presentations, seminars, quiz, group discussion in classroom enrich the learning experience.. To Develop effective Communication Skills, Presentation Skills, students are motivated to participate in Soft Skill training programme /Self Funded Certificate Courses. There is great deal of Flexibility available to students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

IQAC prepares the Academic calendar at the beginning of every academic year. It includes month wise various activities

including curricular, extracurricular, CIE and final Examinations. Institution strictly adhere the academic calendar for the conduct of all activities. Examination committee Monitors continuous Internal evaluation (CIE). The CIE system is robust and flexible. The students have multiple choice like quiz, seminars, home assignments, test quiz and group discussions. Institute organizes Activity Based Learning, Fieldwork, Industrial visit and research projects, Internship and their cognitive, affirmative and communicative domains are developed. The CIE is transparent and a grievance redressal mechanism has been sets students are intimated well in time through notices circulated in the classroom and displaying it on notice Board. College organizes diagnostic test at entry point Remedial courses for slow learners and different facilities to advance learners are provided, Examination committee guides to all departments to conduct formative assessment, Overall performance of students is evaluated through Internal evaluation and summative assessment. Examination committee carries summative assessment evaluation system at the end of each semester. The results are analyzed by IQAC and actions are taken to improve the students performance.

Internal assessment test for practical subjects are intimated in the Academic Calendar of the end of Semester.

The Laboratory schedule is prepared by the concerned faculty and batch wise details are specified in Laboratory schedule.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

All newly admitted Students can be assessed on basic knowledge of their offered subjects and on the basis of the marks obtained in the previous year examination, test conducted by the departments. From that slow learners and advanced learners are identified. Remedial classes are conducted to built up the academice performance of the slow lesrners which help them to improve subject knowledge. For continuous evaluation of the students, we are using some methods:

1) Immediate Revision- After completing subtopics /topics we took immediate revision of it; forbetter memory question-answer session is carried out.

2) Class tests- Teachers conduct class tests in their subjects periodically to test their knowledge.

3) Home-Assignments- Students are given various topics for home assignments, in whichthey have to do the reference work for better understanding of their topic.

4) Question banks are given to the students.

5) Revision of the syllabus is also taken. There is one more process for Advanced learners they are identified through their performance in examinations, interaction in class room and laboratory, their fundamental knowledge, concept understanding and articulation abilities etc. Advanced learners are encouraged to study recommended readings listed in each syllabus. Advanced learners are encouraged to become class mentors. Training and Placement Cell provides training in interview skills and communication skills. Students are encouraged to participate in seminars, conferences and workshops to gain knowledge. The Faculty takes a keen interest while ordering books for the Central library and ascertains that the library collection of books cater to the needs of both slow and advanced learners.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The institution ensures the use of student centric methodologies such as experiential, participative learning and problem solving methodologies in teaching-learning process. The following activities are conducted by institution to make teaching learning process more students centric. 1) Experiential Learning: Various departments are organizing different activities for students e.g Field work, study tour, industry visits etc. These activities help student to improve

their knowledge, presentation skills and personality development. 2) Participative Learning: College uses Participative Learning to encourage students to actively involve them in learning process. The college uses methods for participative learning like - Group Discussions, Small Group Exercises, Assignments, Elocution, Quiz, Case Study, Project etc. Learning through Co Curricular Activities; the students participate in various co curricular

activities which support teaching learning process like Industrial Visits, Educational Tours, Workshops, district level NSS camps, AIVSHKAR Research Competition etc. Learning through Extra Curricular Activities; the Students participate in various extra-curricular activities organized by the college like Cultural, Sports Activities, Vachan Prerana Day, Farewell Party for final year students etc. 3) Problem Solving Methodologies: To improve critical thinking, creativity and problem solving skills among students, Case Studies are provided and asked to

prepare project reports. Above activities are very necessary for

students and it plays role in allowing a switch over from absorption of information while learning during academic sessions and creating a safe space to relax, collaborate and think out of the box.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Usually the college takes care that the students are informed by time to time about the internal assessments to be conducted during the respective academic year. The examination committee prepares the internal examination schedule of the departments which is communicated to the students by the faculty at the beginning of the academic year. Nevertheless several testing methods are used by the faculty for continuous internal evaluation of the students. Along with they include Unit tests, Seminars, Home Assignments, MCQ tests, etc. As per the guidance of the IQAC, the Internal Examination Committee asks the departments to submit their tentative timetable for the conduct of internal examinations. The internal examination schedule of every department is submitted to the Examination Committee and the Examination Committee prepares the aggregate timetable of the internal examinations. Some departments have used departmental blogs/ Google Classroom for uploading the questions, model question papers, model answers, etc. After the completion of the syllabus department wise unit tests on the completed syllabus are conducted. Question Papers of all subjects are set by the department faculty. After the tests, assessment were done and particular things were discussed with students.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

College has formed Examination Committee which looks after all the examination related matters. In case with the University examinations, some students are not satisfied with the marks they obtained, then they immediately contact with the Examination Committee. Accordingly there is a specified procedure of the Shivaji University for availing the provision of revaluation. It is not easy for a student to understand the intricacies involved in this procedure. Therefore, the Examination Committee handles such cases very carefully. The student, who wants to use the facility of revaluation, first of all students have to apply for the Photo copy of his answer book to the University within the span of eight days after the date of declaration of results by the University. After he gets the Photo copy, he needs to show it to

the concerned faculty. But every possible assistance is provided to the student by the Examination Committee. Again, at the time of actual examination, many students face a variety of problems like wrong mention of the optional subjects on the hall tickets, not getting the hall tickets, some issues related to the subject code of question papers, etc. On such occasions the Examination Committee ensures that the student is not mentally disturbed by such things. By approaching the University Examination Cell, tries to solve the grievances of the students. Institute conducts B.A. I and B.Sc.-I exams and Assessment are done as per Affiliating University guidelines.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

The Program Outcomes, Program Specific Outcomes and Course Outcomes are defined by the BoS (Board of Studies) Shivaji University, Kolhapur. Besides the faculty refers to the syllabus of different classes displayed by the University on its website along with the Program Outcomes, Program Specific Outcomes and Course Outcomes. The students are informed regarding the same in the beginning of the academic year while discussing the syllabus of each paper. Along with the faculty discusses with the students about the expected skills, knowledge they should possess after they complete the specific course and program. These outcomes are also displayed on the website of the college and the departmental blogs. In addition to this caution is taken that each student knows the expectations of the Program and the Course he/she has opted for. The students and the teachers strive hard to achieve the outcomes as defined by the BoS of the Shivaji University, Kolhapur. Program Outcomes and Course Outcomes of all programs offered by the institution are stated and displayed on website of the institution. All the stakeholders can view the program outcomes. The program outcomes are discussed in the staff meetings.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

There is no defined mechanism for assessing/evaluating the Program Outcomes, program specific outcomes and course outcomes as such. The college adopts informal way of evaluation of the Program Outcomes, program specific outcomes and course outcomes. At the time of Alumni meet the feedback is received from the members of the Alumni Association about the Program Outcomes, Program Specific Outcomes and Course Outcomes. The members share their experience based on that the college is able to assess the outcomes. Results of the Internal Examinations and Semester examinations are considered with reference to the set outcomes. The feedback received is used by the faculty member, who are the part of syllabus framing body of the University, for making efforts to bring about the desired changes in the syllabi of different classes. All the teachers have conducted their regular lectures to complete the syllabus of related courses and programs. Teaching plans are prepared. All faculty members have maintained diaries.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Solid Waste Management :

Solid waste is divided into wet and dry. It is further divided as biomedical waste, sharp waste, chemical waste and E-waste. The student's faculties and staff are properly guided on proper waste management practices. Shivaji University gives a proper guidelines for paper waste management of examination material

Liquid Waste Management :

Waste chemical in the labs are properly disposed off by dissolving them in water and leaving the water into drains. The drain water from the septic tanks is carried through pipes and allowed to percolate through the ducts at a safe distance from the buildings.

Biomedical Waste Management :

We used the '4RL method' for biomedical waste management.

We used five colored buckets / Bags for proper disposal purpose. **E- Waste Management :**

The electronic equipments that are damaged and used in electronics, physics and computer lab, such as out-dated computers, pen drives, batteries, CD's etc. are collected together and are sold as a scrap material in order to ensure their safe recycling and also help to preventing pollution.

Waste Recycling System :

No

Hazardous Chemical and Radioactive Waste Management :

Discharge of untreated Chemical waste water into the surrounding environment it is a very harmful to the environment. Hence the institute first dilute the chemical waste with water and passes it through sand.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

The college has identified the following two best practices which are consistent with the vision, mission and goal of the institute.

Best Practices

I) Women Empowerment

II) Health Consciousness

Best Practice - I

1) Title of the Practice - Women Empowerment

2) Objective of the Practice -

Women empowerment has been key issue in modern and postmodern societies across globe. It has been considered as a priority issue in independent India and naturally it has been reflected with the governance and practice adopted by HEI. The women have been considered as the subaltern section of society which needs to be empowered. The important tool of this empowerment is naturally education at tertiary level and the participation of women in the mode of production of the nation. The college has adopted this Best Practice in order to empower the girls students coming from the rural underprivileged section of the society, particularly the hilly areas of the Western Maharashtra.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

given in the view documents.

Efforts taken by college for education of girls student 1) Counselling of Parents 2) Incentive for Girls Students for example: prizes, concession in fees for poor girls, etc. 3) Participation of girls students in Sports and Extra Curricular Activities.

*1) Counselling of Parents Most of the parents in this area are either illiterate or having very little education, naturally they are not easily convinced regarding higher education for girls students. Our faculty members visit the places in catchment area. They meet parents and convince them about the importance of higher education of girls and various facilities are provided by the college to students. 2) Incentive for Girls Students i) The college helps the girls students in getting the monthly concessional rate bus pass. ii) Girls students those who participate in the competitions of sports and cultural activities T.A./D.A. is provided to them. iii) Management extended concession is some girls students those who could not pay the fees. iv) Management and faculty declared prizes for students those who secure good marks in the University Exams. Our four girls students secure ranks in the General Merit List of Shivaji University, Kolhapur. (Academic Year 2023-2024). v) Provision of Sanitary pads at concessional rates.

3) Participation of Students in Sports and Extra Curricular Activities.

7.3.2 - Plan of action for the next academic year

Plan of action for the next academic year. 1) To organize Inter National / National Conference/Seminars / Workshops. To share our knowledge, ideas and to make ourselves update Institute decided to organize National Conference/Seminars / Workshops in the academic year 2021-22.

2) Financial support to students - Our Institute is situated in rural and hilly area. Our students particularly belongs to this vicinity, so many students achieved best success in the exams but they can't take further education, because their economical condition is not good. Our Management is cooperative. So they decided to give fee concession to such a type of students.

3) Use of I.C.T. -To encourage the faculty and the staff to use the I.C.T. in an innovative and creative manner. 4) To develop research activities - To motivate the teachers to undertake research projects and to motivate the students also to participate in the University Avishkar Research Competition. Even faculty members are motivated to publish their Research Article in UGC care listed Journal.

5) To organize activities under MOU.- Institute is organising various activities, but under MOU we will try to organise different activities.

6) Tree Plantationlantation - Institute has decided to do tree plantation at the Bilwar Hill (Institutes place), because tree plantation, green environment is very necessary for all.

7) Blood Detection Camp In the Pandemic situation each and every individual must know his blood group, so under Department of Microbiology Institute decided to organise Blood Detection Camp for high school students / teachers.
